**Interaction:** Underprivileged children from rural India got an opportunity to meet a cartoon character from a television series at Oberoi mall in Goregaon on Saturday. Around 40 children in the age group of five to eight years, interacted with the character and celebrated his birthday. The children presented him with a painting made by them.

**Felicitations:** Lokpuram Public School, Thane, Dr Sarvapalli Radhakrishnan School, Malad, Pawar Public School, Bhandup and Cambridge School, Kandivli, were recognised as the 'best energy savvy' schools of 2016 by Tata Power's Club Enerji programme. The schools were felicitated at the annual principals' and mentors' meet' on Friday. Many other schools received awards for best mentors, mini clubs, energy champions and educators.

**Kala Utsav:** City schools will celebrate Kala Utsav to promote arts in education between September 21 and 27. Wilson High School, Girgaum, will host visual arts competition on September 21, followed by dramatics at KMS Shirodkar High School, Burges Road on the next day.
