

Event to spread eco awareness

Mumbai: Club Enerji, Tata Power's nationwide resource and energy conservation movement, on Tuesday organised its annual event Club Enerji Carnival that comprises of a kaleidoscope of activities such as project displays, quiz and performances by school children from across the country to spread the message of saving environment and doing their bit for nation building. The purpose of this event is to enable the club to propagate its message of energy and resource conservation in a fun and engaging manner. More than 400 students across six cities participated in the event.
